The big event in August is **Flyers & Tires**, and **DO WE EVER NEED YOUR HELP!** Whether you can help all day both days, or just for a couple of hours, it will be much needed and appreciated.

Our regular September meeting will be followed by EAA 932 member **Bill Laskey** telling the story of Wilbur and Orville Wright as he found it on visits to Dayton , OH and Kitty Hawk, NC. Bill is an excellent photographer whose photos will bring the story to life almost as well as making the visit yourself.

Don't miss **"From Dayton to Kitty Hawk, Wilbur and Orville's Excellent Adventure"** at the September meeting. And feel free to bring a guest. Complementary coffee at 9:30 AM and the meeting begins at 10:00.

PICNIC? DID SOMEBODY SAY PICNIC?

By John Roach

To thank Chapter members for their support and volunteer efforts (and just to have some fun), the chapter will hold a "It's Been a Really Great Summer" picnic down by the lake at 10C. The date will be Sunday August 26. We'll gather around 11:00 in the morning to enjoy conversation, bad jokes and around 12:30 or 1:00 we'll enjoy grilled chicken and fresh corn. Bring the family, a dish to pass and your beverages of choice. Let's end the summer with a day that we'll remember all winter long.

To help with our planning, please send RSVPs by Tuesday August 21 to planejohn@aol.com would be helpful.

THE JULY EAA 932 FLY-IN BREAKFAST

By John Roach

It was a cloudless morning as the 122.8 radio position reports came fast and furious. More than fifty aircraft arrived at Galt Airport on Sunday July 15, most by 9:15 am. The exact aircraft count was lost in the rush to provide hot buttered flap jacks and sausage to the visitors. A good portion of the attraction was EAA 932's participation as stop # 7 in the Midwest EAA Chapter's Poker Run as tokens were provided for the guests who asked for them. Poker Run Board Secretary **Mike Dean** (also a Chapter 932 member) who has attended all but one of the poker run events claimed that One Zero Charlie possibly had the second best token demand so far this year – exceeded only by the Palmvra event.

Nice to see a lot of airplanes on the flight line

Most of the work crew arrived at 7:00 am to greet Chapter president **Greg Domski** who was already hard at work. By 8:30 the fires were lit and the McHenry County Health

(Continued on P 2)

Inspector had provided a go ahead. Pancakes were ready by the planned 9:00 starting time. And, by 9:30 it was evident that more pancake mix and sausage would be needed.

George Zuidema, Jolene Stanard and Dave Spitzbart

The ladies from the McHenry High School POM POM Squad began washing cars and planes by 10:00 (the total included at least 3 aircraft) and Young Eagles flights began around 11:00 am. By 2:00 the crowd was gone, the last Young Eagle was in the air and the cleanup was well underway. Good weather, hungry pilots, and great EAA volunteers – it adds up to a really successful event.

This was a hit, let's do it again. Even the plane approved.
